THE ONLY WAY.

"God of the future and the past,
Whose hand must point the way
at last,

In Thy long silence still we pray
That through all doubt and pain
and wrong
Our lips may know the victor's song,
Our feet may keep the only
way."

CLEAN UP—DON'T BE A STUMBLING BLOCK.

Point Pleasant has a two-fold interest in this week getting every unsightly vacant lot put in order and every street cleaned before the Big Celebration. Next week is the big fair, and there should not be a weed in evidence. Weeds and prosperity do not go together. If you are too indolent or poor to keep your gutters clean you have not enterprise enough to make your town go. The majority of our citizens are doing their part and you can't afford to be a stumbling block in the way of your town. Clean up the few days that are remaining to you this week.

OF INTEREST TO NOTARIES.

The commissions of all notaries, appointed prior to the 31st day of December, 1903, will expire on the 31st day of December, 1909, and those appointed after the 31st day of December, 1903, will expire in ten years from the date of their commission. The law requires every notary, after taking the acknowledgment to any writing, to give the date of the expiration of his commission. We hope you will give space to the above statement in the columns of your valuable paper.

R. E. MITCHELL, Clerk.

LARGE TOBACCO CROP.

A large acreage of tobacco will be harvested in this section. Some of our farmers are beginning to realize that there is more money in tobacco than in raising yellow corn and the farmers are rapidly enlarging their acreage. Mr. Ira Swisher will have a big crop, storing it in a 60x60 ft. warehouse at Beale and a 60x60 ft. warehouse at Milton. The crop will command ready money at good prices.

A big crowd is looked for next Thursday and Friday in attendance at the big Mason county fair.

Cheer up. The ice season will soon be over and there will be nothing to buy but coal.
